

Soma Nandi

Fresher- frontend developer

I am soma Nandi from Durgapur, west Bengal. I have completed my MCA course from Asansol Engineering College which is given me the latest skill and knowledge in the web development. I also worked and learned practical skill in building website. My focus is on designing and developing website that looks great and work well. I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am able to work well both in a team environment as well as using own initiative. I have a creative mind and am always up for new challenges.
